BELLO STILE COLLECTION

MODENA

Total Wow. Nothing less. When we at Galouri commissioned this set for our Bello Stile Collection, our expectations were high. But when we ourselves saw the creation, we were amazed. Shocking yet tranquil, this piece of art is a contradiction. The red cabinet is wall mounted and, dramatically seeking attention while the rest of the set is subdued and understated. The split level counter never ceases to amaze as it is made from reconstituted stone and supports the elegant yet practical microcrystalline hand basin. You will not be disappointed. Optional cabinet colours are available. Please have your dealer inquire about availability.
