BELLO STILE COLLECTION

NAPOLI

Crisp and clear, functional and tidy. This is the best way to describe Galouri's creation, Napoli. This is a compact vanity unit that will work in the tightest of confines and yet, will look equally as well in a lavish setting. The ensemble is complemented by a pair of clear glass fronted cabinets, which creates a completeness that would otherwise be void. How you arrange these delightful cabinets, is what makes each setting of this wonderful creation so unique.
